We would like to thank Dev Jennings and the three anonymous reviewers for their immensely helpful comments and encouragement. For their constructive comments on various versions of this paper, we would like to thank Mark Selman, Jan Kietzmann, Charlene Zietsma, seminar participants at the University of Manitoba, Boston University, York University, MIT and Simon Fraser University, and all of the members of the Beedie School of Business Write Clubs. We would especially like to thank all the people connected to the Dr. Peter Centre and the Tri-Cities Mat Program who gave us their time and allowed us into their extraordinary journeys.
